MESSAGE FROM THE PRESIDENT OF THE BOARD

Ruyton has an outstanding reputation for excellence in education and the School’s strategic direction is to ensure that Ruyton continues to be an inspiration for girls across New Zealand and beyond. The Board is committed to maintaining the quality of education at Ruyton, which has been the hallmark of the School’s success for many years.

The Board has had a critical role in the development of the School’s strategic directions and we are pleased to share the new Strategic Directions with you, which have been developed with the input of a wide range of stakeholders, including parents, students, staff, and external experts.

The Strategic Directions for the School as we move into the next stage of development at Ruyton.

1. Learning
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.

2. Growing
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.

3. Connecting
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.

4. Reaching
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.
   - We will continue to provide an environment for learning that is developmentally appropriate and supports the individual differences among our girls.

MESSAGE FROM THE FOUNDATION

The Ruyton Foundation is delighted to share the new Strategic Directions with you. These directions are the result of extensive consultation with a wide range of stakeholders, including parents, students, staff, and external experts. In addition to the Strategic Directions, the Board has also developed a strategic plan for the future development of the School.

The Foundations role is to assist in whatever way possible to ensure the success of the Strategic Directions and the implementation of the strategic plan for the future development of the School. We encourage you to become actively involved in the next stage of development at Ruyton.

Please join me in supporting this next exciting era of education. Most importantly, they highlight our commitment to community service, sustainability, and educating leaders for the 21st century.

I encourage you to become actively involved in the next stage of development at Ruyton.
