

RUYTON

RUYTON GIRLS' SCHOOL SCHOOL SONG

The School that always plays the
game,
The School that bears the oldest
name,
The School whose motto tells its
fame,

Recte et fideliter.

No matter if we're once surpassed,
We'll nail our colours to the mast,
The blue and gold must win at last,

Recte et fideliter.

At sport we're made a lasting name,

Our Old Girls too uphold our fame,
For Ruyton girls are still the same,

Recte et fideliter.

At work we study with the best,
Of knowledge we pursue the quest,
And lazy shirkers we detest,

Recte et fideliter.

What e'er the future holds in store,
May Ruyton keep its motto pure,
And Ruyton girls come to the fore,

Recte et fideliter.
